RESOLUTION OF APPRECIATION

Whereas, gratitude is the strongest prompting of the human heart; and the normal impulse of the grateful soul, and whereas the Board of Bishops—Our chief pastors, in regular Session at Columbus, Ohio, were gracious enough to assign to the Chattanooga Area, that princely and statesman-like episcopal leader, Bishop Wallace E. Brown, under whose vision and by whose leadership the Area made such an enviable record during the last quadrennium, and whereas the scope and influence of the Bishop's service stimulated and enlivened all the churches and institutions within our Conference confines, be it resolved that we, the members of the North Carolina Conference herein express our genuine gratitude to the Board of Bishops for assigning Bishop and Mrs. Brown to lead on the forces of the Chattanooga Area for another quadrennium; be it further resolved that we assure the Bishop of our fullest co-operation and pledge him such loyalty as will give him thus early in the quadrennium the assurance of that success which his capable leadership so richly deserves.

The Bishop's acquaintance with the problems which the Conference faces eminently fits him for a quadrennium of such telling service as no other of our episcopal brethren could render us at this time. He knows us well enough to administer the affairs of this Conference wisely and well, and we trust him absolutely.

ALLEN HIGH SCHOOL—A RESOLUTION

Whereas: A proposition is being made that Allen Home School at Asheville, N. C. be merged with Morristown College, at Morristown, Tennessee, and be moved to Morristown,

Therefore, Be it Resolved: That the North Carolina Annual Conference, Methodist Episcopal Church, convened at Hamlet, N. C., October 22-25, 1936, respectfully petition the Woman's Home Missionary Society that Allen Home High School remain at Asheville on the following grounds:

First. The School is filling a need in Western North Carolina that no other institution in that section is filling. It ministers to Negro girls in a section of the State in which accredited High Schools are slowest developing. In Asheville, probably, is the only A-1 High School in the immediate mountainous section. Girls in the smaller towns and rural sections of mountainous Western North Carolina, are forced because of the lack of local high school facilities, to go away from home t attend school. Too often they would be forced to live in conditions not altogether conducive to development of the highest type of character. And where living conditions in private homes might be favorable, the cost of board and lodging would be prohibitive. Allen Home, therefore, fills a need not being met at present by any institution.

Second. The Blue Ridge mountains constitute a barrier which will, for a long time, make it difficult for student groups of such immature age as Allen ministers, to come together or co-operate to the best advantage. And then the matter of distance is also to be considered. Allen ministers to a group of students which find it a financial consideration to go so far as Asheville from their homes. To cross over into Tennessee, then, would, for many of them, be prohibitive.

If it be said that the student body at Allen is too largely made up of

members of other churches, it may be said also that through them our Methodism is greatly emphasized in the communities to which they return.

Third. Our Methodism in North Carolina needs a beacon light such as Allen in the Western part of our State, to bolster up our forces in our churches and communities. Without Allen Methodism in Western North Carolina, and even our church in Asheville, would be weaker and less agressive.

Resolved Finally: That the Secretary of the North Carolina Conference be requested to convey a copy of this Resolution to each member of the Trustee Board of the Woman's Home Missionary Society, and to the Executive Officers of the Board of Education of the Methodist Church at Chicago.

Signed: G. H. Caldwell, W. M. Wells, J. E. Brower,
H. L. Ashe, S. A. Peeler, W. T. Lomax,
R. N. Brooks, J. C. Rush.

Adopted by the North Carolina Annual Conference in a regular session, Friday, October 23, 1936.

BOARD OF STEWARDS—W. J. Cameron presented the report of the Board of Stewards, which was duly adopted.

D. D. Jones, president of Bennett College, was presented. President Jones made an effective appeal for Bennett College. An offering of $146.25 was received for Bennett College.

The Boards, Commissions and Committees were named by the Secretary of the Cabinet and approved by the Conference.

Bishop Brown announced the members of the Board of Ministerial Training. (See Boards, etc.).

On motion of C. W. Perry, S. A. Peeler, the Cabinet and Secretary constitute the Publishing Committee.

G. H. Caldwell moved that the Journal be made the official record of the Conference, and the Publishing Committee ordered to print 1200 copies. The motion was adopted.

A Motion by G. H. Caldwell prevailed, that after Sunday morning service, the reading of the Complimentary Resolutions and reading of Appointments, the Seventy-Eighth Session of the Conference stand adjourned, sine die.

Benediction by H. L. Ashe.

RESOLUTIONS OF APPRECIATION

We record with grateful appreciation our thanks to Almighty God, for the high ethical tone, lofty spiritual fervor, manifest power, Christian fellowship, and world vision which has characterized this Annual Conference of 1936. It is our solemn and earnest conviction that this Conference over-shadowed and under-girded by our Ever Living Lord, marks a new era in our religious history, and redefines Methodism as Christianity in action.

SEAT OF CONFERENCE

Many factors have contributed to the greatness of this Session. Ideal weather, spacious and beautiful Church, Hamlet strategically located as a Highway and railway center. These features have lent themselves to the spirit and orderliness of the various sessions held here.

THOSE WHO HAVE HELPED

Many individuals and groups have made signal contributions, to whom we here express our gratitude. Namely: The officers of the Conference, the representatives of the various Boards of the General Church. The many visitors, laymen and Ministers. The unusual hospitality of the good people of Hamlet, of all denominations and races. We especially commend the diligent service of the membership of this Church.

SPECIAL FEATURES

The Musical features have been excellent in quality, and have enriched our stay immensely. For these contributions we are indebted to the Church Choir, Bennett College Chorus, and Mrs. R. G. Perry.

WORTHY OF SPECIAL MENTION

Words fail to express our appreciation for the matchless leadership of Bishop Brown, in guiding the business of this Conference with such precision and brotherliness.

The genial and sweet spirit of Mrs. Brown is appreciated by the entire Conference. We here express our thanks to the General Conference for returning these two Spirit-filled Servants of Christ to the Chattanooga Area.

Others: George Bell, W. M. Wells, R. B. McRae, N. D. Shamborguer, R. N. Brooks, J. H. Barnhill, D. D. Jones, Dean Klugh, A. R. Howard, N. J. Crolley, J. A. McRae, and Miss I. R. Jones.

Finally. We reaffirm our loyalty to Jesus Christ our Eternal Leader. May the high spiritual moments of this remarkable Conference send

us forth with reenforced wills, empowered and spirit-filled lives to our task of Kingdom Building.

Respectfully submitted,

W. E. HAIRSTON,
ROBERT McRAE,
C. L. GIDNEY.

EVANGELISM

Whereas to evangelize the world is the whole duty of Christianity:

Whereas Christ our Elder Brother and the founder of Christianity did come into this world, labored, suffered, and died that all men might have a right to the "Tree of Life."

Whereas Christ did commission the early Apostles to go into all the world and preach His Gospel. And we are heirs and joint heirs with Christ and the early Apostles, the same commission is to us.

Therefore, be it Resolved, That we rededicate ourselves to the great task of evangelism, and that we go forth in the spirit of Christ until He shall say, "Well done, good and faithful servants."

REPORTS

REPORT OF DISTRICT SUPERINTENDENTS

A COMPOSITE REPORT

The Superintendents of the Greensboro, Laurinburg, Western, and Winston Districts in this brief statement, attempt the impossible—to express in words and figures—our labors, our hopes, our faith, our appreciation for and in the work of leadership in the North Carolina Conference.

We express sincere thanks to our Father and to the church for the responsibilities placed upon us, and for the confidence expressed in us. With apology to Anna B. Warner, we make her verse express the feelings of our hearts:

"One more year's work for Jesus,
One less of life for me,
But heaven is nearer,
And Christ is dearer
Than yesterday to me,
His love and light
Fill all my soul tonight.
One more year's work for Jesus
One less of life for me."

The work of the North Carolina Conference embraces all of the State of North Carolina, and some of the counties of southern Virginia. We, as Superintendents, travel from the rigid and sparsely settled mountains of the Blue Ridge system to the Atlantic coastal line. We minister to every type and class of Negro within these limits. The Methodist Episcopal Church has become the religious asylum of some 14,000 souls who have sought to flee from the wrath to come, "and be saved from their sins."

Our problems are such as would be incident to the social and religious needs of these people. An exhaustive classification of these problems is impossible. A general statement, however, will be accepted.

First—An economic and financial problem brought on by the depression, poorly paid salaries; benevolences hard to collect; church improvements needed, but hard to be financed; church debts staggering and stultifying.

Second—The problem of lax morality. A breaking down of family ties, embers on family altars dimly glowing. The younger group franker and freer in their conduct. A loosing or lost respect for the religion of the fathers.

Third—The problem of free traffic in liquor and tobacco.

Fourth—Many are expressing, and many more are feeling that our religion has lost its power to reach the needs of our present age.

To these problems we have addressed ourselves with the aid of God's help, and the fine co-operation of our co-laborers, the pastors of the churches. Our results may be summarized under the following heads:

WORLD SERVICE

Our World Service reports for the four districts will show that we are up to our last year's record. For years we have striven to collect all of the World Service and report it in our After-Easter Roll Call. Seventy-five per cent of the year's collection is reported then. Reports of the pastors here at the conference will bring us up to last year's records.

EDUCATIONAL INSTITUTIONS

There is throughout the nation an ever-increasing interest being placed on education. We view with pride the number of high schools and colleges maintained by the State of North Carolina for the education of its Negro citizens. But the church cannot leave this important matter entirely to the State. The education of our youth must be exposed to a Christian atmosphere. We boast the fact that within the bounds of our conference, we have an ideal Christian institution for the training of the young women of our race. President Jones has gathered around him a faculty that would do credit to any of our great institutions of learning. We are pleading for a larger moral and financial support for Bennett College.

DISTRICT MEETINGS

Several times each year in group meetings, in young people's institutes, in district conferences, and in our After-Easter Roll Call, we are able to meet pastors and laymen for purposes of reports, and information and inspiration. That Bishop Brown and his good wife meet with us in some of these meetings, is a rich source of inspiration and nformation.

EVANGELISM

We have endeavored to keep alive and inspired, our spirit of evangelism. The need for building a new social order or a Christian foundation is eminent. We both interested in the "Old Time Religion" adn the All Time Religion. A new application of the old principles of Christianity must be stressed. "Old wine" in new wine skins instead of new wine in old wine skins, is a way of stating our effort at evangelism.

TEMPORAL IMPROVEMENT

In many of the charges of the conference there are evidences of material progress. A few new churchs have been built, many repairs have been made on churches and parsonages, and some churches struggling with debts have with difficulty been shaken a loose.

CHURCH PERIODICALS

The periodicals of the Methodist Episcopal Church take second to

none in the world. The editors of its Church papers are especially selected because of an acknowledged store of erudition, a wide knowledge of church affairs, and the courage to commit to type the truth about men and institutions, and even dare to point a better way. In the family of editors Dr. Robert N. Brooks, of the Christian Advocate, Southwestern Edition, takes high rank. We owe an allegiance to our Southwestern, and I believe the Western District will be found trying hard to evidence that allegiance. I think when the reports are in our District will have paid its quota of subscriptions in full.

At the beginning of this report we used a verse from the pen of Anna B. Warner. At the close, I beg permission to use an exact quotation from the same hymn:

"One more day's work for Jesus:
In hope, in faith, in prayer,
His word I've spoken—
His bread I've broken,
To souls faint with despair;
And bade them flee
To Him who hath saved me.

"O blessed work for Jesus!
O rest at Jesus' feet!
There toil seems pleasure,
My wants are treasure,
And pain for Him is sweet.
Lord, if I may,
I'll serve another day!"

HISTORICAL VIEW

From the organization of Methodism in America, the work in North Carolina was continued in Virginia and afterwards in the Virginia and South Carolina Conferences. In the year 1836, the General Conference set up in North Carolina. Its first session opened as a part of the Virginia Conference, but when it adjourned there were two Conferences.

Facts from the first ninety sessions are gleaned from the General Minutes from the Conference Journal for those years, which is now in custody of the North Carolina Conference of the Methodist Episcopal Church, South.

At tthe Conference of December 4, 1844, there were 19,495 white members and 3,190 colored. Without consulting the wisdom of the latter, nearly the whole membership became part of a new church, organized in May, 1845, and called the Methodist Episcopal Church, South. Some of the colored members entered the A. M. E. Church, some of the Colored M. E. Church of America, but thousands turned gladly to the bosom of the old Methodist Episcopal Church as it returned to the State after the Civil War.

Between the years 1844, when the Church was separated over the slave question, and in 1865, when at the close of the War the M. E. Church returned to shepherd its scattering flock in North Carolina, there was no session of the North Carolina Conference.

From the North Carolina Conference the Blue Ridge was formed with twelve preachers, 2,839 members and probationers, and 41 church eddifices.

REPORTS

REPORT OF DISTRICT SUPERINTENDENTS

A COMPOSITE REPORT

We, the District Superintendents of the Greensboro, Laurinburg, Western, and Winston Districts, beg to make the following composite report to this session of our North Carolina Annual Conference at Thomasville, N. C.

As we look back over the weary years of the depression and are somewhat affected by it at this time, it does not impede the forward march of Methodism in our Conference. We therefore express our thanks to our Lord, and Bishop Wallace E. Brown for trusting us to carry the banners of our four Districts in times like these. While some have groveled in ignorance, superstition, and sheer do-nothingness, there has been a majority of rare souls throughout our Districts who have risen above the ordinary and mediocre and have continued to say and sing—

"Somewhere the sun is shining,
Somewhere the song birds dwell,
Hush then thy sad repining,
God lives, and all is well."

We minister to souls throughout North Carolina; from the tree-clad Blue Ridge Mountains (a vast expanse of mountains and plateau magni-

ficence duplicated in but few places in the world) to the broad beaches of the Atlantic's shores, and a few counties of Southern Virginia. Our results may be summarized under the following heads:

EVANGELISM

We have succeeded unspeakably this year in our efforts to evangelize the unsaved and to make the Aldersgate experience a progressive movement. Not merely the emotional kind that is passing, but the kind that causes men to think right and act right. If we do not evangelize, we shall perish; if we are not, we are perishing. We have encouraged revivals throughout our Districts. In many of the charges, they have been a great success.

MILLION UNIT FELLOWSHIP

Our reports will show that we have almost doubled our Benevolent giving over last year, by virtue of the new set-up. We will always adore the words, "World Service"; but the words, "Million Unit Fellowship" has struck a spiritual note. The new movement draws us closer together and makes us do more. The church that does nothing, suffers nothing, gives nothing, costs nothing, is worth nothing. The church that is going to last, must help others. Jesus loved those near Him, but His heart went out to all mankind. We accepted 692 units, an amount equal to twice the task of the previous year—"We are pressing on the upward way; New heights we are gaining every day. Still praying as we onward bound; Lord plant our feet on higher ground."

EDUCATIONAL INSTITUTIONS

Within the bounds of our North Carolina Methodism and organized under the Board of Education and the Woman's Home Missionary Society are two schools—Allen High and Trade School, at Asheville, N. C., and our inimitable Bennett College at Greensboro, N. C. We have dedicated ourselves to a larger moral and financial support of these schools.

DISTRICT MEETINGS

We met this past year in group meetings, in Church School and Epworth League Institutions, District Conferences and in our after-Easter Roll Call. In some of these meetings, Bishop Brown and Mrs. Brown met wish us, sharing the inspiration, consecration and culture of their beautiful lives. It is gratifying to note that these meetings have thrown new challenges out to us, and we have gone down from these mountains of inspiration, to do.

THE SOUTHWESTERN CHRISTIAN ADVOCATE

Our Districts are becoming more church-minded. The church schools, high schools, and colleges are creating a thirst for reading clean literature, if you please. We discover that people as never before in and out of our church are reading the Southwestern Christian Advocate. One of the main reasons we give for this broad circulation in our state is that Dr. R. N. Brooks, who is editor of the paper, is a product of the North Carolina conference, a peer to any of the editors of the Southwestern Christian Advocate, and for that matter, coordinate among the family of editors of the church.

TEMPORAL IMPROVEMENT

We have evidences of material progress throughout the conference. Many repairs have been made on churches and parsonages. Debts of long standing have been cancelled by virtue of sacrifices and hard work,

which only pastors and local churches will ever know about. Many of the pastors and congregations bear their crosses with a smile, not whining and making an alarm; instead they follow in the foot-steps of Christ, who leads the way to victory. We will not take time and space to mention each pastor and charge that has repaired and built parsonage or church. Like Thomas Carlyle, most of the brothers believe that the work of the Kingdom is too noble for praise and too sacred for rivalry.—"All labor, whether of head or hand, is divine; and labor alone justifies a man as a son of earth and heaven."—Philosophy of Thomas Carlyle.

REPORT OF COMMITTEE ON RESOLUTIONS

We are grateful to our heavenly Father for the privilege of re-assembling in Thomasville after a span of twenty-three years. Many recall the last session held here in 1914 under the presidency of Bishop Henderson, who has since passed from earthly labor to eternal reward. And now through the providence of God, and the grace of the General Conference, we return here under the spirit-filled, practical, and prophetic leadership of Bishop Brown, united with the genial, sweet-spirited, and winsome personality of Mrs. Brown.

Thomasville is almost centrally located in the Piedmont section of this great commonwealth. It is easily accessible from all points in the State, because of its thrift, social-mindedness and business activities; it offers exceptional advantages as the seat of an annual conference. We are so touched by the friendliness and hospitality of the people in Thomasville of both races and all denominations, that we here and now accept any future invitation that may be given us.

We sincerely commend P. A. Taylor, pastor-host; H. L. Ashe, resident District Superintendent; and the faithful loyal members of this parish, in remodeling and transforming St. John Church into a place of beauty and joy forever.

We here express our thanks to the officers of the Conference, District

Superintendents, Representatives of the various boards of the church, civic and religious leaders of Thomasville, for having given tone and dignity to this annual session. The sermons and addresses have been excellent and inspiring. The sermons of Revs. McRae, Brooks, and Hedrick were exceptionally good. The addresses of Mayor Long; Mrs. Parker, of India; Mrs. Brown; Messrs. Lambeth Peterson, Winchester, and Thomas; and Revs. Pickens, McLeod, Bryan, Wells, Howard, Haywood, Crolley, and Leonard, were unusually good.

We are immensely indebted to the chorus of Bennett College, under the supervision of Dr. Detts; local choir, under the direction of Mrs. Dula and Mrs. Perry, for many high hours of musical enjoyment.

The radio broadcast of the missionary activities of Bishops Thoburn and Jason Lee, under title "Heralds of Destiny", were unique features of this session, and much enjoyed.

The Holy Communion was perhaps the most meaningful service during the session. This mystic fellowship was conducted with such ordiliness, reverence, and humility, that the presence of Jesus was made real. Before we meet again in an annual session, world-wide Methodism will commemorate the two-hundredth anniversary of the Aldersgate experience of John Wesley. But we have had in this conference, warm-hearted experiences, kindred to that expressed by Wesley, "I felt my heart strangely warmed".

It is significant that, when the Million Fellowship Unit Movement was launched in the General Conference, our Resident Bishop was presiding—and as he has given leadership to this forward movement of the church, speaking from a background of years of service in the foreign fields, with that far-away look in his vision, we have been constrained to re-think and re-affirm the oft repeated utterance of our human founder, "the world is my parish". We suggest that is mysteriously strange that the Chattanooga Area has registered a larger increase in World Service giving than any area in Methodism.

The tone, spirit, and trend of this Conference has placed upon us the urgent task of re-constructing the total social life of mankind, from the perilous and anti-christian threat of fascism, secularism, and nationalism—and to re-fashion it after the eternal pattern, Jesus Christ. For this gain in vision, we are grateful to those who have spoken during the week.

As we are near the close of this conference, we turn for a moment to the past and doff our hats in congratulation to what has been done, and exclaim, "What hath God wrought", but now, in facing the future, we pull off our coats as a challenge to the task that lies ahead of us.

As a church, we need to regain the passion for souls; we must recover the glow of Christian experience; we need to visualize a world re-created in Jesus Christ. We go forth from this Conference with our spirits revitilized, our lives empowered, our wills reinforced, our personalities penetrated, energized and enriched by our ever triumphant Christ; to work, pray, and preach with the assurance that the Kindom of this world shall ultimately become the Kingdom of our Lord Jesus Christ.

Respectfully submitted,

W. E. HAIRSTON
ROBERT McRAE
C. L. GIDNEY.

PENSIONS AND RELIEF

We, the Committee of Pensions and Relief, recommend the following:

First—The asking for Pensions and Relief be the same as heretofore, five percent of the pastor's cash salary.

Second—Each Charge will elect a Conference Claimant Steward, or Board to collect and have charge of this fund.

Third—That this Steward or Board make report of amount raised each Juarterly Conference.

Fourth—That the Pension and Relief Fund be placed in the budget of the Charge at the beginning of the Conference Year. This money raised monthly, quarterly, or semi-annually, and sent to the Board of Pensions and Relief, at whatever time it is raised.

Fifth—That Fathers' Day be observed as Conference Claimant Day. That every Pastor preach a sermon on the importance of this fund, and at that time, take a collection for the same.

Sixth—That we go on record to build arelief fund for the Supply Pastors.

Respectfully submitted,
A. M. ERWIN C. N. WILLIAMS
H. J. JONES D. C. SKEEN
B. F. THOMAS.

HISTORICAL VIEW

From the organization of Methodism in America, the work in North Carolina was continued in Virginia and afterwards in the Virginia and South Carolina Conferences. In the year 1836, the General Conference set up in North Carolina. Its first session opened as a part of the Virginia Conference, but when it adjourned, there were two Conferences.

Facts from the first ninety sessions are gleaned from the General Minutes from the Conference Journal for those years, which is now in custody of the North Carolina Conference of the Methodist Episcopal Church, South.

At the Conference of December 4, 1844, there were 19,495 white members and 3,190 colored. Without consulting the wisdom of the latter, nearly the whole membership became part of a new church, organized in May, 1845, and called the Methodist Episcopal Church, South. Some of the colored members entered the A. M. E. Church, some of the Colored M. E. Church of America, but thousands turned gladly to the bosom of the old Methodist Episcopal Church as it returned to the State after the Civil War.

Between the years 1844, when the Church was separated over the slave question, and in 1865, when at the close of the War, the M. E. Church returned to shepherd its scattering flock in North Carolina, there was no session of the North Carolina Conference.

From the North Carolina Conference, the Blue Ridge was formed with twelve preachers, 2,839 members and probationers, and 41 church eddifices.

PROGRAM—Seventy-Ninth Session

HELD IN ST. JOHN'S METHODIST EPISCOPAL CHURCH

Thomasville, North Carolina—October 27-31, 1937

TO THE MINISTERS AND LAYMEN OF THE NORTH CAROLINA ANNUAL CONFERENCE: St. John's Church extends a warm and hearty welcome.

We recognize the honor which is ours in being your host at this Conference Session. You assembled here for the Annual Session twenty-three years ago, when under venerable leadership, the new church building was first erected. Through earnest efforts and varying vicissitudes, the Church has moved forward.

We open to you again our doors as we desperately struggle in the task of building a new Church. Not a physical structure, though we have worked untiringly to preserve this edifice bequeathed to us by the sacrificial hands of other days, but one which expresses itself in every avenue of human needs in the day in which it serves. To this end, we dedicate ourselves.

We, therefore, rejoice over your coming, knowing that you too are dedicated to this common task. We shall offer to you our best, both in physical comfort and in mutual fellowship. We feel that your coming to Thomasville will help to hasten the establishment of the New Church and permanently advance the Kingdom of Christ.

Under these expectations, we welcome you.
